1. 9th January 2017: ASEMS 3.0 is LIVE

ASEMS is now LIVE.

From the 9th January 2017 previous versions of ASEMS will be deprecated but still available for a short period of time on the Defence Gateway [1] (registration required) within the Acquisition Systems Guidance (ASG) section for Safety & Environmental Protection

Browser Versions: IE8 and earlier are not supported and do NOT work correctly with ASEMS - Please use a more recent version or another browser (e.g. Chrome, Safari or FireFox).

MOD personnel should address any comments to the DTech QSEP Systems Manager
